CERTIFICATE OF EVALUATION
for
COMPUTER & CONTROL SYSTEMS

Gaming Associates (ga) has evaluated the interactive gaming system operated by PKR Limited against the requirements of the Alderney Gambling Control Commission (AGCC). At the time of evaluation the systems materially comply with the following AGCC requirements¹:

- ♣ player registration & account
- ♣ RNG / scaling / mapping
- ♣ gaming
- ♣ technical compliance

ga is of the opinion that the systems comply with, or exceed, generally accepted practice of all interactive gaming jurisdictions.

The current validity of this certificate may be verified by viewing the original at the Gaming Associates web site: www.gamingassociates.com.

Disclaimer

Gaming Associates has conducted a level of evaluation, which has historically been adequate for a limited component evaluation of this type (specifically by the Alderney Gambling Control Commission). However, inherent in testing in a laboratory environment is the unavoidable limitation of it not being possible to verify the effects of all possible configurations that occur at the actual site.
